Scott M Daugherty

1003 Colony West Drive | Coraopolis PA, 15108 | 412-443-7459 | smd@scottdaugherty.com

Objective

Secure a position in the graphics field with a dynamic company utilizing my present computer art and people skills, and grow professionally to my full potential.

Work Experience

Technical Programmer

PRIME – Robert Morris University **Moon Township, PA** **April 2002-Current**

- Certified in Multimedia Authoring for Tool Book Instructor 8.0+
- Web master and developer, Lead developer for all Tool Book materials
- Implemented video web conferencing technology with Lotus' Sametime software. This allowed a network of schools in the western Pennsylvania area to connect to a remote server and have a video web conferencing meeting or a web cast.
- Utilized several different software packages for media creation for *National Science Foundation* and *Department of Labor* in curriculum development.
- Created images for web, presentations, and advertisements utilizing animation and graphic design skills. Published advertisements in *Pittsburgh Magazine* and at *Robert Morris University.* Took video and pictures from industry and academia, and edited them for usage in curriculum.
- Authored a paper on Video Web Conferencing titled "Usage of Web Conferencing for Manufacturing Engineering and Technology Education – The PRIME Experience." This peer reviewed paper was presented at the annual ASEE conference in Salt Lake City in June of 2004 and appears in the conference proceedings.

Web Site Master/ Digital Media Developer

***PRIME* – www.primepa.org** **April 2002 – Current**
